SPORTSCENE . . . ROUND-UP

Double cause for a party

MARTIAL Arts instructors Ollie Batts and Julie Gabriel were honoured with a surprise presentation as the club they founded celebrated its 20th birthday.

The Cambridge Academy of Martial Arts hosted the surprise presentation at Coleridge Community College gym.

Batts and Gabriel set up the club in 1989 and have since worked tirelessly to help their students develop and to promote the core values and diversity that martial arts offer.

Gabriel and Batts are pictured front, with appreciative members looking on.
